Experience

UX RESEARCHER & DESIGNER

Bellese Technologies | Aug 2021 – Present

I used my design and development expertise to collaborate with cross-functional teams, to ensure creative but feasible solutions that combined user-centered design intent with technical execution.

LEAD UX CONSULTANT

Abas USA / Forterro Battery Ventures | Nov 2020 – Jul 2021

I helped establish and led a UX Center of Excellence to aid in adoption of UX best practices across several worldwide teams, improving product development processes, and cultivating a user-centric culture.

LEAD UX DESIGNER, DEVELOPER

Abas USA | Jun 2017 – Nov 2020

I transitioned from development to UX design, establishing a user-centered design framework to streamline development processes and enhance product usability and customer satisfaction.

UX & MEDIA MANAGER, PERSONAL ASSISTANT

Auto Trim Design & ATD Solar & Security | Sep 2011 – Jun 2017

I expanded my role from Personal Assistant to lead digital marketing, site development, and customer engagement strategies, resulting in a stronger digital presence and more informed decision-making.
